

## **Connections**

December 4–February 19 (10:45 am)

*High School Room*

Our purpose at NHCC is to glorify God as a caring community of Christ-like disciple-makers. We desire to live and give the gospel to each other and to everyone around us in every sphere of life, every day of our lives! In order to help us better understand and carry out our mission, several of our church leaders will teach this class, explaining our ministry essentials. These ministry essentials shape who we are and what we do as a church. Connections is a great way to make a big church seem like a smaller community, to get connected with other people, and to learn what NHCC is all about.

## **Life Ed. Winter Session**

January 8–February 19

### **THE BLAZING CENTER**

8:30 am or 5:30 pm

*Room 104*

God is the blazing sun at the center of reality. Everything revolves around him. And as the most valuable and glorious person who exists, God is loving, not conceited, when he calls us to worship him. His pursuit of glory and our pursuit of joy are not at odds—because God is most glorified in us when we are most satisfied in him. These classes feature DVD sessions by John Piper combined with group study and discussion.

### **VINTAGE JESUS**

10:45 am or 5:30 pm

*Room 106*

One of the most vital questions anyone can answer is “Who is Jesus?” This study will answer critical questions like “Is Jesus the only God?” “What did Jesus accomplish on the cross?” and “What makes Jesus superior to other saviors?” This study will show that Jesus is truly vintage, the venerable and everlastingly significant Son of God. This class is open to all, but is ideal for those new to Christianity, or those seeking to understand who Jesus is for the first time. These classes feature DVD sessions by Mark Driscoll combined with group study and discussion.

### **THE FORGOTTEN GOD**

10:45 am or 5:30 pm

*Room 107*

Without the supernatural power of God in our lives, we remain incredibly ordinary. How do we experience the Holy Spirit’s power? This class confronts our assumptions about the person and work of the Holy Spirit and challenges us to move away from the merely abstract and to develop a relationship with the Holy Spirit, expecting him to radically transform and empower our lives. These classes feature DVD sessions by Francis Chan combined with group study and discussion.

## Dating With Purpose

January 15–29 • 5:30 pm

Community Café

The question “Who should I marry?” is as old as humanity, but how do we answer the more contemporary question “Who should I date?” And more importantly, “Why should I date?” This three-week class lays a Biblical foundation for the purpose of dating and provides guidance and ideas for successfully navigating dating relationships in community. This class is open to all, but is specifically designed for parents with dating-age children, as well as singles.
